By the

Even
talking to a
shriveled up
old prune
like you is
sickening.

Who in
their right
mind would
deliberately
go and spend
time with
some
bitch!?

If I
had my
way, I'd
never even
have to
talk to
them at

So they
were your
precious little
friends
after all.

Huh?

Huh?
Ever
since
he was
little?

Shup up!
Don't talk
to me
like you
know
me!

Honestly,
Ryou, ever
since you
were little,
you ne—

Yeah, if you think about it, none of them really seem to like him all that much... Not romantically, anyways...

When I mentioned that her voice sounded different than when she talked to us before, the third one called me, "perceptive" for noticing that someone else had spoken.

On top of that,

BUT, THAT WOULD MEAN...!

SIS-

SISSY!?

...TO
JUST CALL
ME "SISSY"
LIKE YOU
USED
TO?

We're very grateful that you've been taking care of our little brother.

It's nothing, really.

Let me introduce ourselves properly.

Hey there.

The one to my left is Chouko, the second daughter, and that's Fuuka over on my right.

NODS

I'm Karin, the eldest daughter of the Mikami family.

If you're gonna come visit, do it normally, would you? Anyone in their right mind would be freaked out by a creepy letter like this!

At least try to take this seriously, would you?

Is your life a dating sim or something? So you've got three beautiful sisters.

What does "sim" mean?

Simulation. For dumb people who can't get a real girlfriend.

Seriously,
school's crazy
far away from
home, so it's
not like you can
all get here
that easily!

Besides,

Oh come
on. You
didn't even
recognize us,
so it's your
fault.

What
kind of moron
would take that
seriously?

But you're
into all that
nerdy stuff,
right? We
tried to make
it more fun~

See,
we even
put a cool
little mark
like in Cat's
Eye~

Are you
kidding
me!?

Ahaha

Don't
just laugh
it off

Crrrr

Whisper
How horrible,
he should know
it's rude to
reveal a insider's
eye like that

We just
wanted
to fit in,
since we're
finally
visiting
your high
school.

Hey, I'm still in
school too

Who on
earth would
expect to see
old grannies
in their
twenties like
you wearing
a high school
uniform!?

ow ow
Juth
leggo
oh my
noth!

okay
okay
okay!

Ryouta,
behave
yourself.

I bet
you're just
wearing tights
so no one
can see your
knobby old legs,
you self-
conscious
hag—

Squeee!

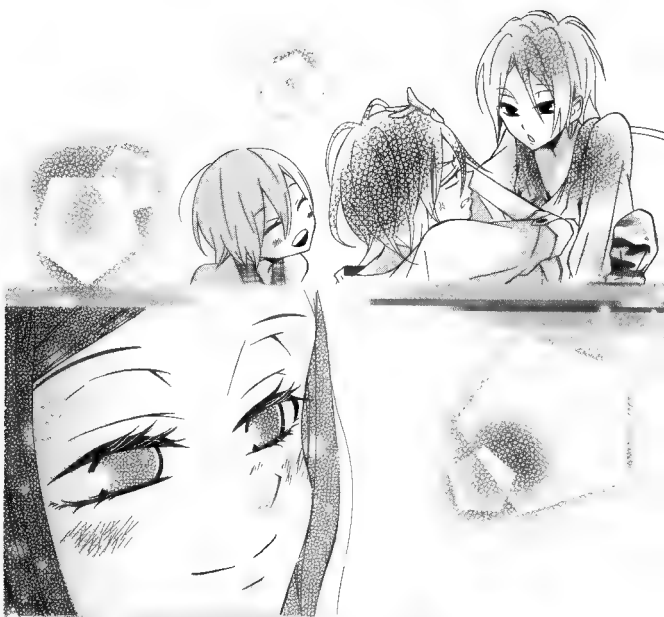

Hah!

28

STARE

Shirooo~

wait,
WHAT!?

COMING
FROM THE
ONE WITH
A BED TO
HERSELF!

Ryouta,
don't
complain.
There weren't
enough beds
for all six
of us.

Sgt...

I'm
actually
a little jealous
that you have
three sisters
who all really
care this
much about
you.

It's
Pine...

Yeah,
it all seems
so offbeat
and hectic~

You know,
it's really not
the same with-
out Ryouta
around...

I know,
right?

IT'S
BEEN A
PRETTY
ROUGH YEAR
WITHOUT HIM
TO TAKE OUT
ALL OUR
STRESS ON,
YOU KNOW?

JUMPS!

RIGHT NOW!
SWEET DREAMS.

Ryou,
I can't
believe
you'd even
joke about
giving away
your loving
sisters.

HEY!

You guys
hear that!?
That's what
they're really like!
I'm sick of them,
you can have
them!!

I wouldn't
mind being
Shiro's big
sister~

I was
too scared
to get
caught up
in the
argument,

So I
just held
my breath
and tried
to wait
it out...

THAT'S
DISGUSTING!
STAY AWAY
FROM
HIM, YOU
PERVERT!

Ryou, shut up.
I'm
trying
to
sleep.

Oh, so
it's 3 on 1,
is it?

Did
hegg!

shp
head!

At
about four
in the
morning,

Ryouta
finally
gave up
and
apolo-
gized.

SHUT
UP, YOU
HAG!

Ryou!

SHIRO!
WAKE UP!
